Learning Impact

Improve the impact of training programs and validate your company's investment in learning

Docebo Learning Impact measures the success of your learning program and saves you hours of time by leveraging ready-to-go questionnaires and reports that compare your results against benchmarks.

Designed to help you make data-driven decisions by providing you with insight into how impactful your learning program is on your people.

Prove that learning is a strategic investment by connecting it to performance improvement, and communicate with a suite of reports and dashboards that scale as you grow.

Prove that learning is a strategic investment by connecting it to performance improvement, and demonstrate value with a suite of reports and dashboards that scale as you grow.

Go beyond the numbers and measure Learning Impact at scale

Trusted by more than 2,000 companies, Docebo is redefining the way enterprises learn by applying new technologies to the traditional corporate learning management system market. Docebo provides an easy-to-use, highly configurable learning platform with the end-to-end capabilities designed to make customers, partners, and employees love their learning experience.
