

Docebo signs a new strategic partnership agreement with Educontinu to expand business operations into the Benelux

Naples 8th July, 2014 Docebo (www.docebo.com) announces today a new strategic partnership with Educontinu (www.educontinu.nl), a valued added reseller specialised in online learning solutions that will promote Docebo's product and solutions in the Benelux region.

With its unique expertise, Educontinu will promote the Docebo Learning Management System and support organisations choosing the right E-Learning strategy and Learning curriculum. Docebo, which provides easy access to a comprehensive E-Learning Environment, is exceeding its goal of expanding and creating a global network of Partners that are able to expand its cloudbased learning offering internationally, serving customers of any size no matter where they are based.

Docebo's vision, business development strategy and technical acumen, along with the capacity of humanizing its technology and relationship, are a real win to create fruitful partnerships and build a joint success.

Educontinu quote:

"Bringing your own e-learning content online has never been this easy". We are proud to announce our partnership with the top-class e-learning provider Docebo. Docebo is a cloud based SaaS solution that combines ease-of-use with enterprise grade features at a fraction of the traditional costs. Unique is Docebo's marketplace, enabling organisations to distribute their own e-learning courses online. Docebo supports all forms of learning including blended, social and mobile learning initiatives. We are very privileged to bring this leading Learning Management System to the Benelux."

Executive quote Docebo:

"We want to increase the reach of enablement and training by distributing the Docebo LMS across the EMEA Region and ensure we engage with the right Partner that can provide the needed added value and competencies to penetrate the local markets." affirms Claudio Erba, CEO & founder of Docebo. "With Educontinu we have taken a key step further to cover a new strategic region where we will better distribute our product and solutions to to offer an entirely new learning experience to organizations based in the Benelux. And in the process we have made accessing, purchasing and consuming learning easier than ever for our customers and partners."
