

Docebo included in the 2013 Learning Portal Companies Watch List by TrainingIndustry.com

The international cloud E-Learning provider has been recognized for its commitment in developing innovative approaches within the Online Training solutions market.

Docebo (www.docebo.com), the global cloud E-Learning solutions provider who has recently released its *brand-new Learning Management System*, has been included in the **2013 Learning Portal Companies Watch List** published by **TrainingIndustry.com**.

The **2013 Learning Portal Companies Watch List** was based on criteria like the unique approach to delivering learning solutions, the commitment to improving learning through technology as well as the new and innovative service offerings.

During 2013, Docebo has created and promoted the “**E-Learning Ecosystem**” concept, a onestopshop Online Training environment for companies who are looking for LMS, Courses, Integrations and Apps. Moreover, Docebo has recently released its **brand-new Learning Management System**, a single-page Web App, designed to be 100% tablet compliant and easy-to-use.

“*Organizations on the Watch List are exceptional in the services they provide,*” said Doug Harward, Chief Executive Officer, TrainingIndustry.com. “*The list is meant to spotlight the next wave of learning technology leaders and those specializing in niche areas that should be considered when buyers are researching potential partners.*”

Claudio Erba, Docebo’s CEO and Founder, comments: “*It is the second year in a row that Docebo is recognized as an E-Learning innovator due to its disrupting products, services and approach to the market. These awards, along with our rapidly increasing customers base, are clear signals that Docebo is doing very well in the E-Learning competition at worldwide level*”.
